Sassamon

The theme of this year-book symbolizes the individuality of the members of our class. Just as each chess piece, different in appearance and purpose, works together on a board of red and black toward a common goal the members of the class of 1965 worked, cried and laughed, united on a field of red and blue.

We, the Class of 1965 of the Natick High School, lovingly dedicate this, our Senior Yearbook, to Mr. Edward J. Bransfield, a teacher of Mathematics and Cross-country Coach.

A graduate of Holy Cross College, Mr. Bransfield is a resident of South Natick. One of his daughters, a graduate of Natick High in 1963, is a student of Trinity College in Washington, D. C. Another, Ann, is a member of the Class of 1965 at N.H.S. His son, Stephen, is a student at Boston College. Mrs. Bransfield is active in local politics and is currently a member of the town planning board.

We wish Mr. Bransfield and his family many years of health and happiness.

OUR EXCHANGE STUDENT

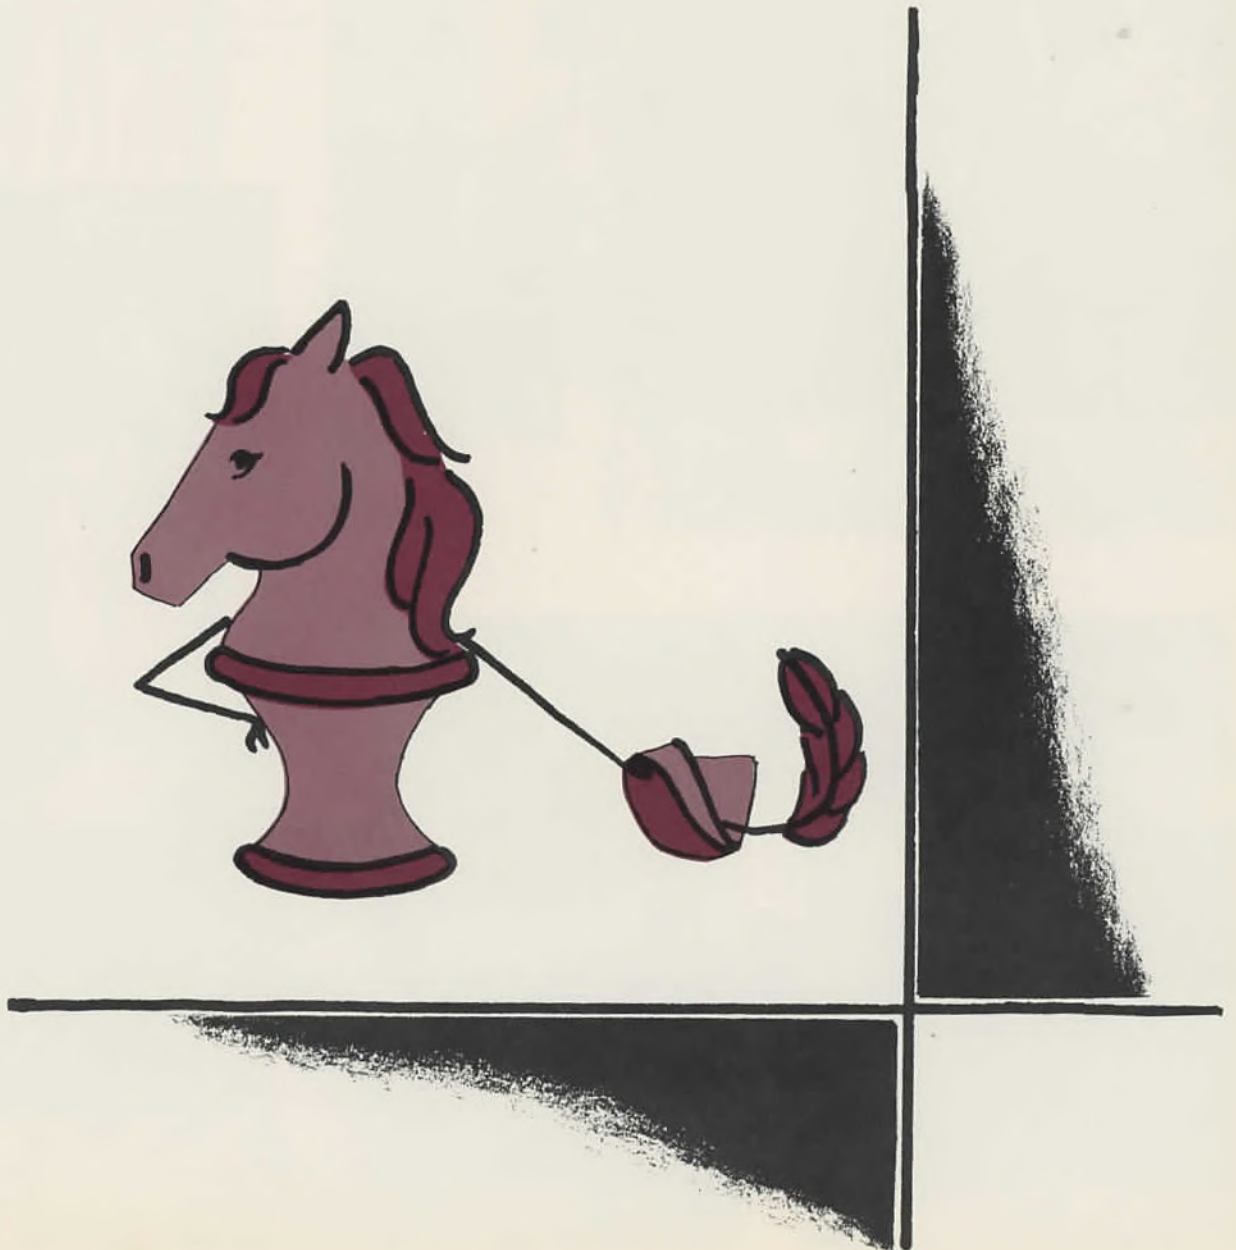

When school opened in September we found we had a very unusual member of our senior class. Pierre Haesler, of Olten, Switzerland, was wide-eyed in amazement at the activities, the hustle and bustle at Natick High. He could speak, French, German, Italian, and Swiss, but he was struggling with English. However, this did not last and we soon discovered his keen sense of humor, his friendliness, and his eagerness to participate in our way of life.

When Pierre leaves Natick on June 30 he will take with him many pleasant memories and we shall not soon forget him. We sincerely hope that he will one day have the opportunity to return to Natick and renew his many friendships. We have been happy to have you with us, Pierre!

activities

Early in the fall it has been the custom for the past few years for the Student Council to sponsor a get-acquainted social to make the incoming sophomores feel more at home at Natick High.

This year the group dancing to the disc jockey's choice seemed to be a merry one and everyone appeared to feel right at home.

Much credit is due Mark Raider and his committee for the hard work they did to make it a happy evening.

get-acquainted

sadie hawkins

Traditionally on the first Friday night in May Sadie Hawkins and her friends gather at Natick High to make merry. This year the cafeteria was crowded. Many and varied were the costumes. So, too, the tunes provided for the dancing.

First prize for the evening went to Helen Grady and John Thompson. Dancing was enjoyed until after eleven and when the party broke up everyone voted it a most enjoyable evening, expressing the hope we would have as much fun at our next one.

The Scene: The drawing room of a famous English novelist;

The time: the present.

The Plot: Charles, a novelist, and his wife Ruth invite the Bradmans to attend a seance at their home to be conducted by Madame Arcati, a well-known medium. Charles' purpose is to learn the proper technique and jargon used by mediums in order to make his new book, an expose on spiritualism, authentic.

As the nervous fingers of our stage assistant, Nancy Gregg, clutched the grey hair spray can all ready to put the final touches on Madame Arcati, Helen and Margaret took a last glance at the well-worn script, while Richard anxiously watched Don transform into a distinguished but mixed-up "Charles".

The successful seance was more than Charles bargained for. Elvira, his first wife, dead for several years, appears from the spirit world; soon it is obvious that she intends to take Charles back with her when she returns. She spreads axle grease on the stairs causing the maid to fall; she saws the rounds of a ladder, causing Charles slight injury; she tampers with the brakes of Charles' car bringing about the death of Ruth.

Charles' problem now is to get rid of the warring spirits of both wives. During one last seance, Madame Arcati is successful, and Charles leaves the scene to go on a long journey just as vases, pictures, and furniture begin flying at him . . .

There was great enthusiasm on the part of the cast, as well as those behind the scenes, to make this big night, one that will ever be remembered by all. As the curtains opened and presented us with the well-studied scenes of excitement, suspense and laughter, all knew that this was the best Senior play ever to be ours at Natick High.

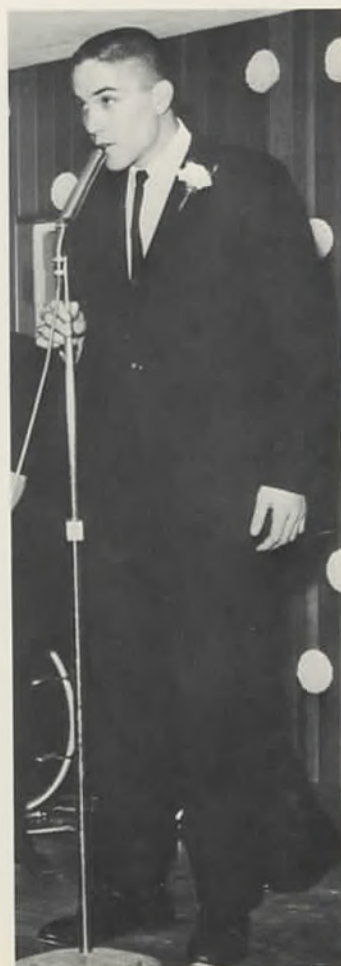

CHRISTMAS COTILLION

Mr. Howard Hennigar, Debrah and Dorothy Fitch, Mr. Charles McManus

In a snowbound setting one evening in December a beautifully dressed-group of Natick High students and their guests danced for three hours to gay music. During the evening guests cast their votes for a Snow Princess, but as was to be expected, it was not possible to choose only one. The Fitch twins, Debbie and Dottie, were selected by anoverwhelming majority and subsequently crowned by Mr. Hennigar and Mr. McManus.

Robert Tibbetts as Santa Claus gave the affair a very festive atmosphere.

"MY FAIR LADY"

One of the most daring undertakings in the history of Natick High was the production of "My Fair Lady," starring Caryn Sandrew and Thomas Montgomery, assisted by Don Nardo as Colonel Pickering and a fine supporting cast.

The packed auditorium on two nights bore witness to the fact that it was a finished production made possible by the coaching of Mr. Harry L. Garnett of the English Department and Mr. Leo Bachini of the Music Department.

STUDENT COUNCIL

This year the Student Council has been concerned with the problem of drawing up a code for the proper attire among high school students. Under the capable leadership of Mark Raider the council has sponsored several worth-while assemblies and conducted the student bookstore.

The Get-Acquainted Dance early in the school year brought out many of the underclassmen who seemed to enjoy themselves thoroughly.

Members of the council attended several conventions and were very proud when one of their members, Doreen Gross, was elected vice president of the Eastern Division of Student Councils of Massachusetts for 1965-1966.

The sophomore class officers have been diligent in the discharge of their duties. The class has sent representatives when members of their group have had sadness and have sent flowers to classmates and their families when the occasion demanded expression of sympathy.

NATIONAL HONOR SOCIETY

Scholarship, character, service and leadership are the four qualities exemplified by the members of the National Honor Society. During the past school year 50 seniors and 33 juniors were elected into the society. Never before has the Natick High School chapter had so large a membership.

Most societies are judged according to their accomplishments. Striving to make its influence felt on the student body, the National Honor Society has initiated many activities which have proven successful. At various times members have been called upon to substitute for an absent teacher. A tutoring service has been provided after school hours for any student needing extra help. This has been a joint venture with the Future Teachers Club. Working with the Industrial Arts department, some members furnished book marks to the library for the general use of the student body. A scholarship has been awarded for the first time to a deserving senior member. At the second annual Eastern Massachusetts National Honor Society Conference held at Burlington High School, one of the six delegates was an unsuccessful candidate for president. Finally, the members participated in the Hall of Fame for Great Americans election which is held every five years.

To serve Natick High School has been the goal of the National Honor Society. To be remembered for its achievements as a truly outstanding society has been its dream. By being first-class citizens and first-rate scholars the members have strived to realize their goal and to fulfill their dream.

YEARBOOK LITERARY COMMITTEE

The Yearbook Literary Committee met every Thursday during the months of January, February, and March and less frequently in May. Each of the twenty-two senior English divisions had one representative on the committee who was responsible for carrying out the assignments. For the most part all of the members were faithful in attendance and did their job well.

After the individual write-ups had been submitted, the activity write-ups were assigned on an individual basis.

The yearbook subscription committee of the class of 1965 deserves special commendations for selling more yearbooks than any other class in the history of Natick High School. This was made possible because of the efforts of dedicated seniors who sacrificed time before school to visit homerooms of sophomores and juniors as well as seniors to solicit subscriptions. Since more copies were sold, it means that more people will remember this outstanding class in the years ahead. Congratulations, again, for a job well-done.

YEARBOOK SUBSCRIPTION COMMITTEE

YEARBOOK ART COMMITTEE

L. Adams, L. Whitehill, R. Tinsler, B. Adams. Missing—C. Goldberg, M. Prince.

In the spring of 1964 the Yearbook Art Staff first met, under the able guidance of Miss Beverly M. Poulin. Come the fall they were allotted two periods a week to continue their task. This group was essential in organizing and unifying the 1965 Yearbook. Along with the four members shown at left, Carol Goldberg and Mert Prince, who were absent, layout paper, art board, carbons, photos, india ink, windsor pencil, study periods and patience, the Yearbook made it to press with all photos and copy.

CAFETERIA MARSHALLS

Under the direction of Mr. Robert Andrews a group of boys have carried on the duties of supervising and keeping in order the four lunch periods here at Natick High.

In addition to these duties the boys are responsible for leaving the chairs and tables in order for the study pupils who use the cafeteria Period F. They are also responsible for returning the teachers' trays to the dish room.

Accidents will happen in the best of families, so many times there are broken bottles, spilled milk, and mis-placed crumbs to be taken care of, too. It's all in a day's work.

SAFETY PATROL

The Safety Patrol has been called upon to assume additional duties this year because of the problems developing from the construction of our addition. Early in February access from the Math-Science wing could no longer be by the outdoor route, meaning that all traffic had to go through the inside corridors.

At about the same time the administration requested that a safety patroller be stationed during each period of the day in the various corridors to check on students with or without passes to see if we could avoid persons going to lockers, lavatories, and just wandering. We feel that the new system has worked well and that it should be continued.

LIBRARY AIDES

More than sixty library aides have made a definite contribution to the library program offered this year. These students shared in a joint effort to operate our library as smoothly and efficiently as possible and to increase the services offered.

The faculty and student body are most grateful to the aides for their cooperative effort, their attitude and willingness to follow directions, interest in books, and the concern they displayed in their fellow students' library needs.

CLINIC AIDES

NURSES AIDES

First row: K. McDonough, S. Hughes, L. Copplestone, P. Womboldt, M. Picard, E. East, J. Lang, M. Collins. Second row: L. McAllister, N. Gregg, G. Porter, J. Fischer, L. Morrissey, M. Breen, S. Fidler, A. Bransfield, E. Farrell.

An indispensable part of the efficiency of our Clinic is furnished by our aides. These people man the office when Mrs. Brown is called out on school business or in an emergency. They answer the phone, file eye and ear records, and in many cases run errands to various parts of the building. They are not allowed to diagnose, treat, or advise patients. However, they do help to lend a professional atmosphere to the Clinic. Their patience and kindness is very much appreciated.

BUSINESS SERVICE CLUB

Under the guidance of Mr. Bayne Drown, Head of the Business Department, a group of junior and senior business students were trained to assist department heads, teachers, and coaches with the clerical work that accumulates in their offices. The girls were assigned during a free period to answer the phone, file, type, duplicate masters, run errands and make themselves generally useful as trained aides in the field of business.

BUSINESS SERVICE CLUB MEMBERS

Third row: Mary Ellen Donovan, Jean Mabardy, Mary Lewis. Fourth row: Janet Todd, Kathleen Melchiori, Kathleen Ross. Fifth row: Mary Ann D'Eramo, Patricia Morse, Cynthia Caissie. Sixth row: Beverly Lawson, Linda Reed, Mary Green.

MEDICAL CLUB

Under the direction of Maureen Picard, president; Katie McDonough, vice-president; Linda Trinkly, treasurer; Carol Cooper, secretary, and Mrs. Brown, advisor, the Medical Club has made many contributions to the high school and the town of Narick.

Various girls helped out at the Bloodmobile, Glaucoma Clinic, baby clinic, made stuffed animals for orphans, and successfully completed a first aid course and Advanced First Aid Course at the Cen-

tral Fire Station.

This May, the Leonard Morse Hospital Alumni Association honored the club for its services.

Some of the girls are in the Pink Aid and Candy-striper programs at the Leonard Morse Hospital.

All girls contributed to the Thanksgiving and Christmas baskets, given to different families yearly.

Three successful foodsales were held throughout the year, the proceeds giving two deserving girls scholarships.

WEATHER CLUB

The Weather Club may be small in number, but their diligence and enthusiasm cannot be excelled with groups much larger in some activities.

These students spend many hours in observation and compiling data to give us accurate predictions on the morning, notices each day. Like weather forecasters on Radio and TV everyone hails them when the report is pleasing, but the poor fellows are to be pitied when the report is unfavorable, or when, as sometimes happens, it is inaccurate.

WEATHER CLUB

T. Cormier, J. Hughes, D. Glucksman, R. Corbett.

PHOTOGRAPHY CLUB

R. Satterfield, L. Ober, J. McGrath, P. Nardo.

Mr. Colombo's Photography Club had four members this year. They were Larry Ober, Phil Nardo, Richard Satterfield and Joseph McGrath. Throughout the year these boys took and developed many pictures for the *Sassamon*. The boys also developed their own pictures and did some experimentation with new processes.

Several projects were entered in the Science Fair and later in the year members gave demonstrations to some of the classes in Chemistry.

W. Fowler, R. Young, L. Clark, J. Connolly, R. Connors.

FUTURE TEACHERS' CLUB

The Future Teachers Club had a successful year under the leadership of Donna Berman, with Miss Nancy Bonazzoli as adviser.

At our meetings we were fortunate to have outstanding speakers, excellent films, and instructive talks by members of the faculty. The club participated in two field trips, conducted a bottle drive, and had two bake sales to raise the money for our annual scholarship.

In the spring a new constitution was drawn up to aid club members in the future. The annual tea for mothers was held in May. Next year's club will play hostess to the eastern division clubs of Massachusetts at the annual conference in March.

This year's Gym Club worked very hard to produce a great gymnastic assembly.

The club was led by senior Bobby Yeomans and many capable seniors assisted. There are many promising juniors and sophomores coming up another year. The greatest advancement this year came in the level of skill, especially on the horizontal bar and the parallel bars. The newest event was the installation of still rings, an innovation at Natick.

Outstanding performers were Pat Williams on the horizontal bar, Steve Caron on the trampoline, and Bobby Yeomans in all areas of competition.

DEBATING SOCIETY

DEBATING SOCIETY

Front row: B. Knight, C. Honigbaum, L. Fraser. Back row: S. Werlin, W. Reid, J. Rees, C. Manuel, W. Bresnick.

The Debating Society was organized in the second semester of last year at the request of the Student Council to provide students with an opportunity to obtain training and experience in speaking and debating techniques. During the season just concluded, members attended a debate clinic at Boston College and debated the national high school debate topic in interscholastic competition in two regional tournaments, at Wachuset Regional High School and at Newton High School. Our debaters — all but one sophomores — gave very creditable performances, debating a very difficult topic against some of the best teams in central and eastern Massachusetts.

DANCE BAND

The Natick High Dance Band has met twice a week to rehearse a variety of pop, standard, and jazz dance tunes.

The Dance Band is available for school functions such as music festivals and assemblies.

No Natick band concert would be complete without a group of selections from this unique ensemble. Conducted in rehearsals by the director, Mr. Joseph LoPresti, they are under the student leadership of alto-saxophonist Michael Daly.

A'CAPPELLA CHORUS

This year the chorus kept very busy. Early in the year they made several appearances at assemblies, providing us with a delightful Christmas program in December.

In the spring the annual Music Festival found them again receiving plaudits from an enthusiastic audience. Then in April their assistance at *My Fair Lady* was most

commendable.

As in the past the group made appearances at the junior highs and travelled to Milton High to participate in an exchange program. The season ended with selections for Class Day and Graduation. Mr. Bachini deserves much credit for his patience and competent leadership.

The primary objective of our dramatic club is to provide the membership with specialized training and practical experiences in various acting techniques. Results of this training were evident in both the senior class play *Blithe Spirit*, and the musical, *My Fair Lady*.

The third dramatic arts presentation was Sir James Barrie's *The Old Lady Shows Her Medals*. Following this presentation the Directors' Awards for outstanding achievement in the Dramatic Arts were presented by Mr. Harry L. Garnett and Mr. Leo D. Bachini to Thomas Montgomery, Caryn Sandrew, Don Nardo, and Michael Powers.

BAND & MAJORETTES

The Natick High band has had a busy season. During the football season they played at Friday rallies and Saturday games. During the school week we were preparing for the annual Christmas assembly program and the Winter Music Festival.

In their new uniforms, partially financed by the proceeds from "My Fair Lady," the band gave spring concerts at the Wilson Junior High and at Milton High School.

The band marched in the Memorial Day Parade and appeared at Class Day and Graduation.

The majorettes of the Natick High Marching Band performed at all the football games in the Fall, lending an air of festivity to the pre-game and half spectaculars.

During the school year the band is called upon to participate at various community functions, parades, and assemblies. At these performances the girls have done a fine job and are to be commended.

GIRLS' ATHLETIC ASSOCIATION

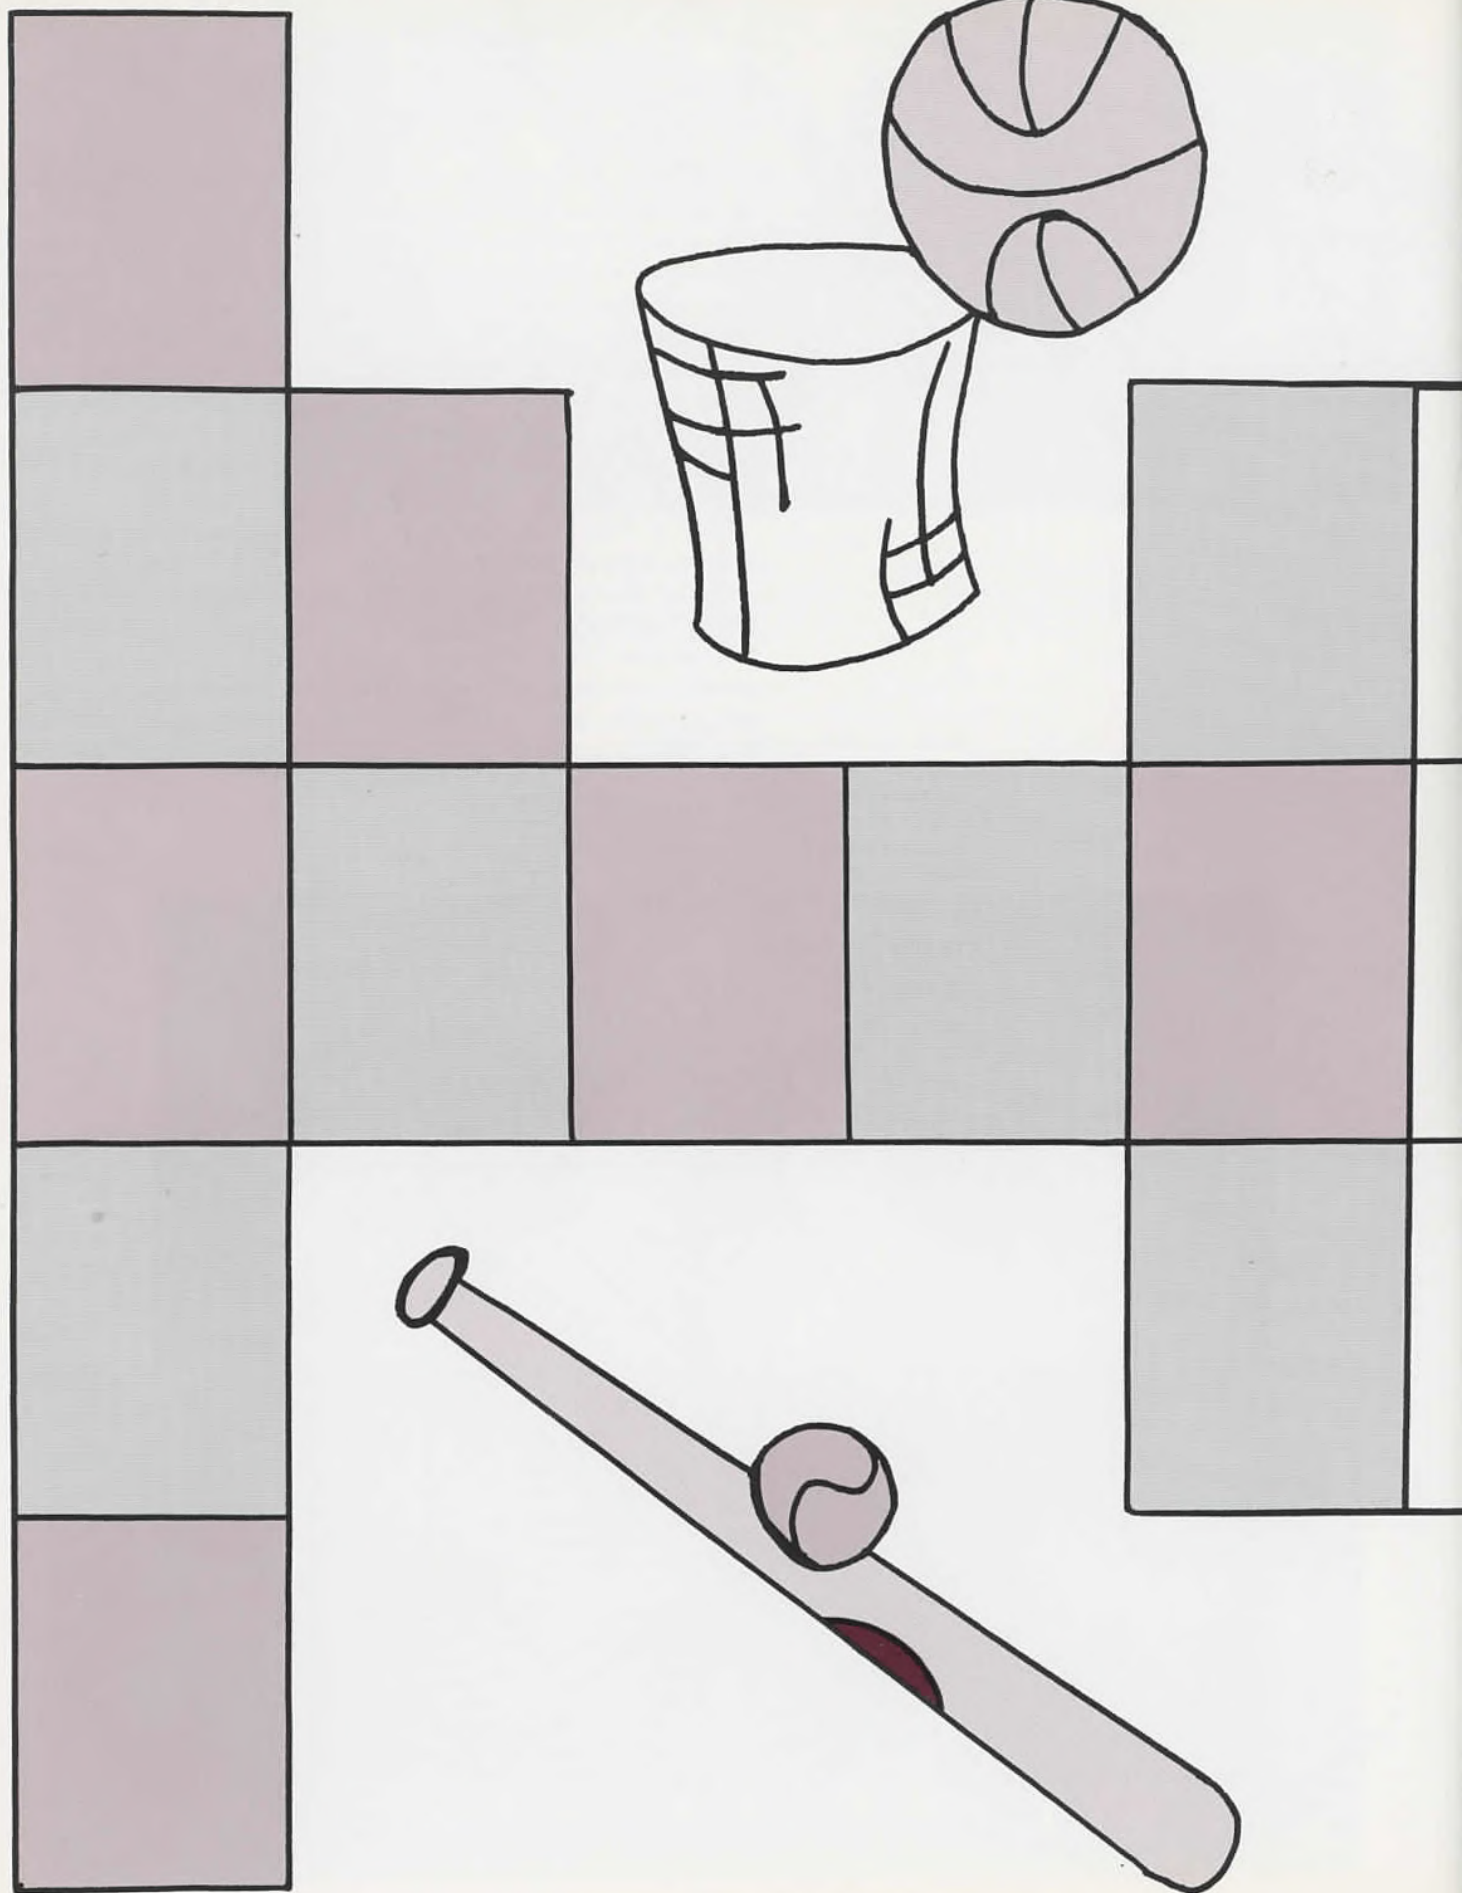

A bowling party on September 15 started the year off. On October 10, a group met at the school to wash cars. An informal cookout was held at Martha Keezer's home in October. As a result of these efforts a donation of twenty-five dollars was made to the Natick Service Council at Thanksgiving time. In December the girls brought wrapped gifts as well as a substantial sum of money for the same organization.

During January and February the girls sold candy each day after school to raise money for the bus to take them on their annual ski trip. This year, twenty-nine girls, accompanied by Miss McDade and Miss Kerwin, went to Snowbird Lodge in Harrison, Maine, and then on to North Conway.

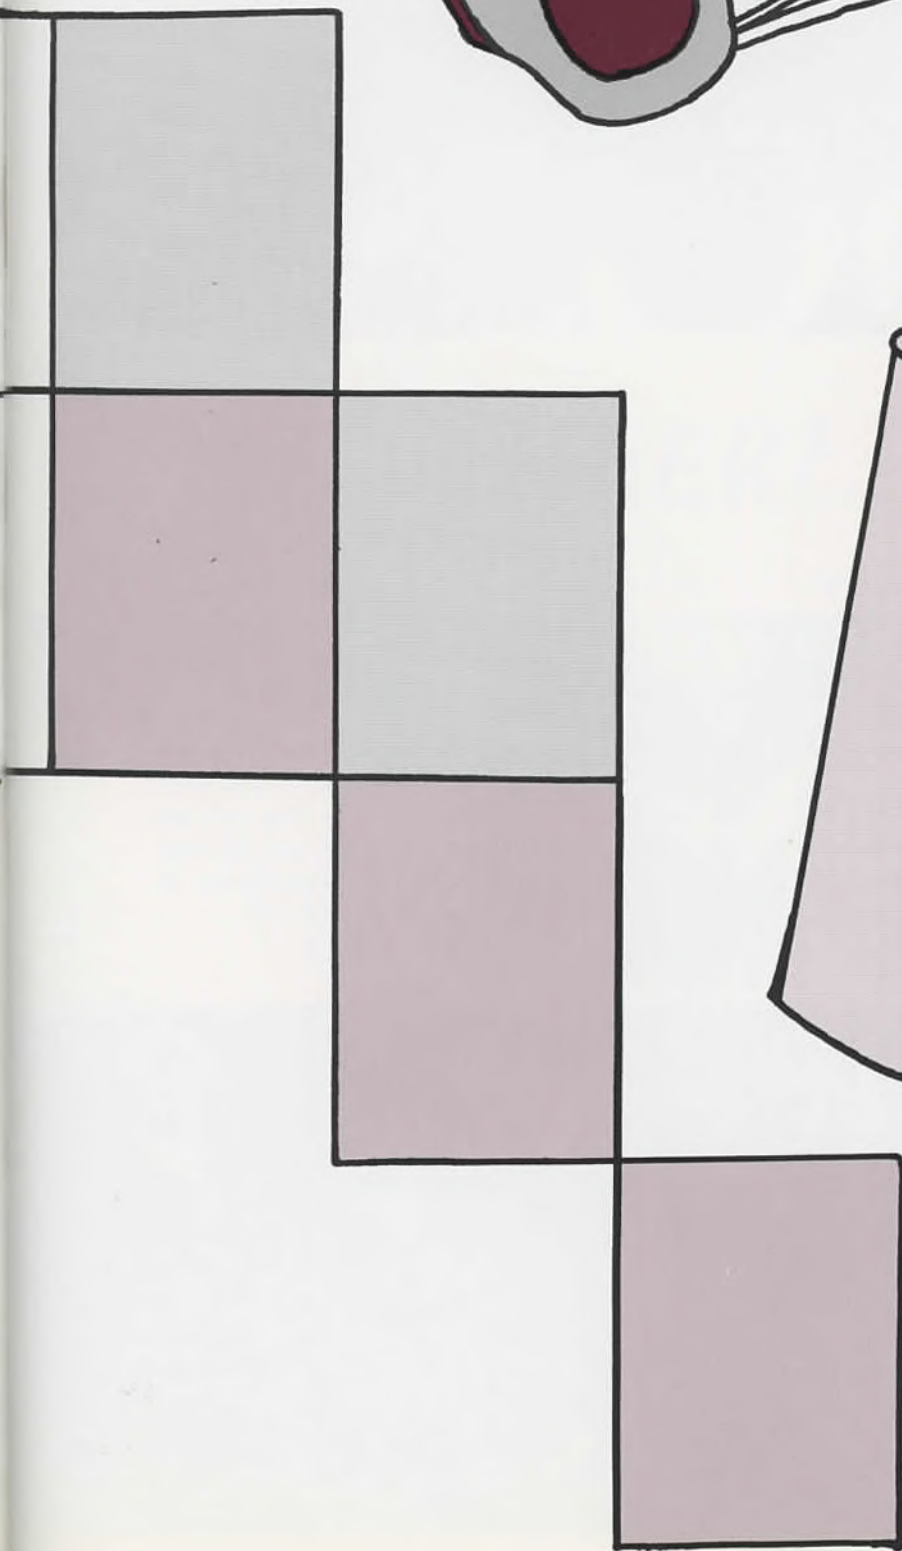

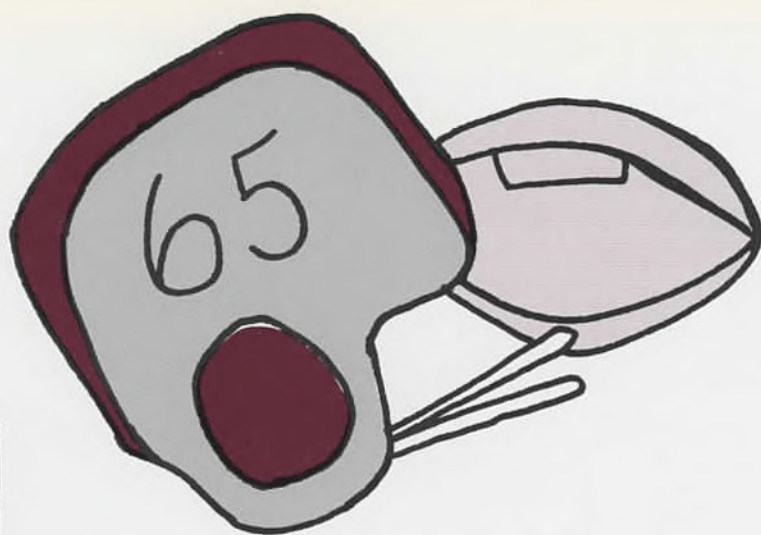

Early in May Miss Nosko, our student teacher, took a group to Babson's Pool for a splash party. Then on June 7 came our annual banquet. After a delicious buffet Mr. Thomas Steeves was the guest speaker and dancing was enjoyed to the music of the Jesters. Many girls received letters, emblems, or charms. Nancy Gregg received a special award for tennis presented by Miss Gloria Vasile. Brenda Rundgren was awarded a medal as the best all-around athlete and Mary Mercer as the one who had done the most for the G.A.A.

One of the reasons Natick may be called "The Home of Champions" is the underlying spirit and enthusiasm of the followers of our teams. This is evidenced by the 1965-66 cheering squad. These girls have worked diligently and willingly to instill in the Natick fans the great enthusiasm and sportsmanship we have always been noted for.

With the beginning of the school year came the rallies and the football games which immediately displayed the pep and precision for which the girls had been striving throughout the summer months.

As the sport season continued into the winter events, both hockey and basketball, the girls continued to give of themselves by cheering an average of three games a week.

The culmination of the events came when the Bay State League Cheering Squad met in competition at Northeastern University. The girls were awarded the trophy for the second consecutive year but they wanted this golden trophy not for themselves but so that Natick High could keep its coveted title.

FOOTBALL

The Natick High Varsity was one of the most successful in the long history of Natick High football.

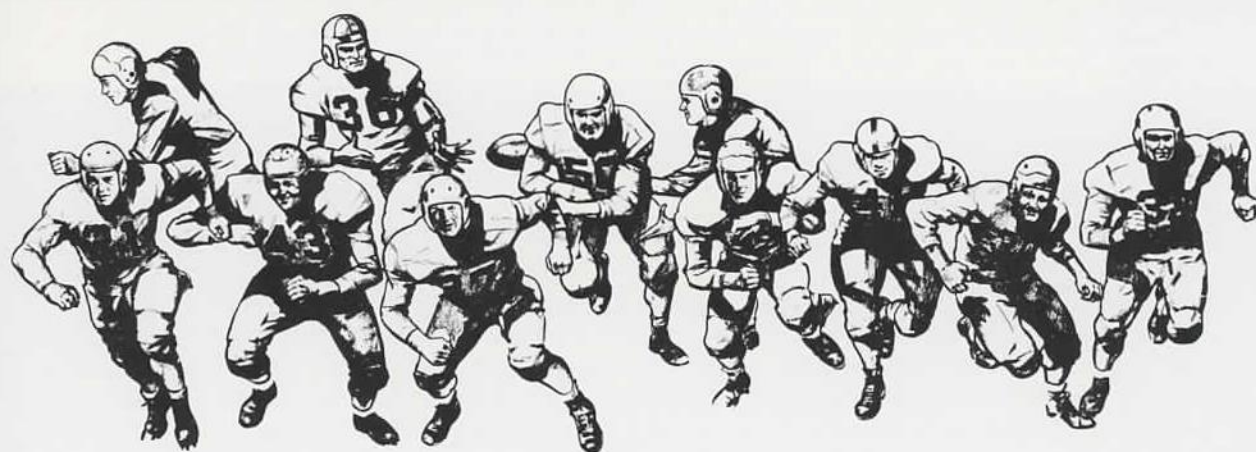

This team finished its season undefeated, winning eight games and tying one. The team won the Bay State Conference Title and was the highest-scoring team in the Conference. This team also set a record for the League when it was unscored upon in its last five games. The most important and impressive wins came over traditional rivals. They took Wellesley with a hard-fought 6-0 victory and a come-from-behind victory over Needham (in the rain) 8-6. The climax of this successful season came on Thanksgiving Day with a tremen-

dous victory over archrival, Framingham South, 44-0. The team also set a first in Natick football history by defeating Framingham North in the opening game, 32-6.

Coached by Dan Bennett and led by Captain John Wilson many members of the Class of 1965 played an outstanding role in the success of the team. Offensively John Ignacio, Jim Ghetty, Dave Wilson, John Wight, Dave Bailey and Jeff Fitzgerald contributed to the great scoring. Defensively, Sumner Hersey, Ron Stephenson, Walt Ball, Bob Bradford, Tom Fitzgerald, and John Garry helped make this one of the great defensive teams of the state.

CROSS COUNTRY

First row: D. Bond, C. Threatt, A. Myer, D. Sauro, G. Lilja, E. Grassey, R. Morse, R. Nichols, L. Nygard. Second row: Mr. Welch, C. Burnham, J. Schwartz, W. Lamont, H. Forman, J. Littleton, L. Once again the cross-country team, coached by Mr. Edward Bransfield, groaned, joked, and ran through a successful season. Against the toughest competition in Bay State League history, Natick varsity compiled a highly respectable 6-2 record. The losses were to Norwood and Braintree by incredibly narrow margins on away courses. Victories included an unprecedented rout of both Needham and Wellesley and complete sweeps of the Framingham rivals. In the conference finale at Walpole, the Natick varsity led Norwood by a large margin and placed a close second to Braintree. As usual, the most striking statistics came from a powerful junior varsity. Reflecting the Natick tradition of mass participation, a fifteen-man JV squad swept through an undefeated season practically unscored upon and took five of the first seven places in the conference meet.

A smooth-striding junior, Paul LeMarbre, was the team's outstanding runner, winning three dual meets and placing sixth in the conference wrapup. Warren Fowler and Eric Darling each had a first-place finish to his credit and both were consistently among the leaders in the dual-meet competition. Other varsity point scorers were Sandy Chapman, Billy Lamont, Bob White, Bill Smith, George Lilja, and Pete Anastos. The season's successes were accomplished with no small measure of work and grit. Fifty miles of running per week was not uncommon.

VARSITY BASKETBALL

This year's basketball team finished in a third place tie with an 11-7 win record in the Bay State League, one of the most balanced and powerful of the leagues. As usual, Natick lacked height, but managed to win over bigger teams with their tremendous spirit and hustle. The highlights of the season were back to back upsets of Braintree, the league champs, and Wellesley, eliminating them from post season play.

Co-captains Dave Bernardi and Walter Ball did a commendable job in leading their team to victory. Bernardi, the outstanding player for the Redmen, was the second high scorer in the league with a 19 point average. Ball, with a 13 point average, will be remembered for his phenomenal corner shot and strong rebounding. John Ignacio, the smallest center in the league, proved himself to be a steady scorer this year, along with being one of the top rebounders in the league again. Rounding out the starting five were junior co-captains elect Al Stuart and Joe Murphy, both of whom had a good year and gained valuable experience.

To back up a good team, Coach Christie had a strong bench led by seniors Butch Wight, John Wilson, Jim Ghetti, Joe Coleman, Dick Vitale, Larry Carr and Butch McGowan, and juniors Bill Sims and Patsy Teti.

With a strong JV team this year, the outlook for next year is for another successful hoop season.

J. V. BASKETBALL 1964-65

Under the guidance of Coach Tassos Filledes, the J. V. Basketball Squad enjoyed a commendable 17-1 record during the 1965-66 season. Not only were the J. V.'s co-leaders of the Bay State League, but they also ended Braintree's 69 game winning streak when they beat Braintree in the greatest game of the season.

Paul D'Innocenzo was high scorer with Van Wright behind. Backcourt men, such as Bob Parker, Ken Sinclair and Dave Young contributed greatly to Coach Filledes' quick scoring punch. Cornermen, Dave Farrell and John Holden, put strength where the coach wanted it—on the boards! Bob Sinclair, Richard Schavone, Paul Driver, Pete Mosgofian, Kevin Cotter, Greg Dziania and Pat LeFevre accounted for the team's "strength in reserve."

Managers for the team were Ken Stevens, Mike Fleming and Robert Pizano.

The vastly-improved hockey sextet this year had a respectable season, winning six, losing four, and having three ties. The 1964-65 team was one which was embraced by all underclassmen with the exception of a senior, Captain Mert Prince. In view of the fact that so many of its members had little experience in the fast Bay State League competition, we would have to consider the season a successful one. When we look back on this campaign we think of the fine play of juniors such as Casey, Pallotta, Maxwell, and Sabean. We can also look forward to sparkling performances in future years from sophomores Rule, McEnderfer, Horton, Keniry, Mederios, and Chiacchia. Next year Natick High will be looking for a better year with a good nucleus of returning lettermen under the leadership of captain-elect, David Sabean and Coach Bill Leary.

Natick started the indoor track season in Division I of the Metropolitan League for the first time this year. On the first meet against powerful Weymouth, Natick led by three points at the relay, the last event, only to lose the relay and the meet. First place performances by Warren Fowler in the 1000, Dave Wilson in the 300, Jeff Fitzgerald in the shot put, and a double win for Captain Paul Robinson were not quite enough.

In the second meet, first place by Robinson in the 50, Steve MacDonald in the 300, Paul LeMarbe in the mile, and strong performances by Sandy Chapman in the 2-mile and Jeff Fitzgerald in the shot put still left Natick down by 1½ points.

Natick beat B. C. Highs in the third meet, with wins from Paul LeMarbe, Jeff Fitzgerald, Paul Robinson, Capt.-Elect Walter Johnson, and the relay team.

In the fourth meet, first places by Paul Robinson and Sandy Chapman, and many other good efforts were in vain as Natick lost its second meet in the relay.

Rindge Tech, with the strongest team in the state, beat Natick easily despite first places by Paul LeMarbe, Paul Robinson, and Jeff Fitzgerald.

INDOOR TRACK

In Natick's fifth meet, first places by Robinson and Fitzgerald, and strong performances by Bull Traber, Dave Wilson, and Jim Littleton kept Natick in the meet only to lose to Malden in the relay.

In the final meet Natick beat Brookline for its second win and ended the season with a record of two wins and five losses.

WRESTLING

This year's wrestling team under the leadership of a new coach, Mr. Thomas Steeves, compiled a deceiving 2 and 7 record as the competition in the Bay State League this year was the finest in the state. Under our co-captains, Mark Raider and Peter Mandels, the team worked hard to make a good record.

Ron Stephenson and Sumner Hersey were two seniors who with little competitive experience did a remarkable job. Other consistently good performers on the varsity were Don Nardo and Larry Wood.

The team got off to a slow start, losing the opener to a strong Milton team and a close one to Newton South. Here they rallied to defeat Walpole. Next they went into a slump as they were defeated by Brookline, Braintree, Wellesley, and Weymouth, some of the strongest teams in the state. Then once more they rallied, soundly defeating Norwood and then finishing off on a sour note, losing to a strong Needham team, the state champions.

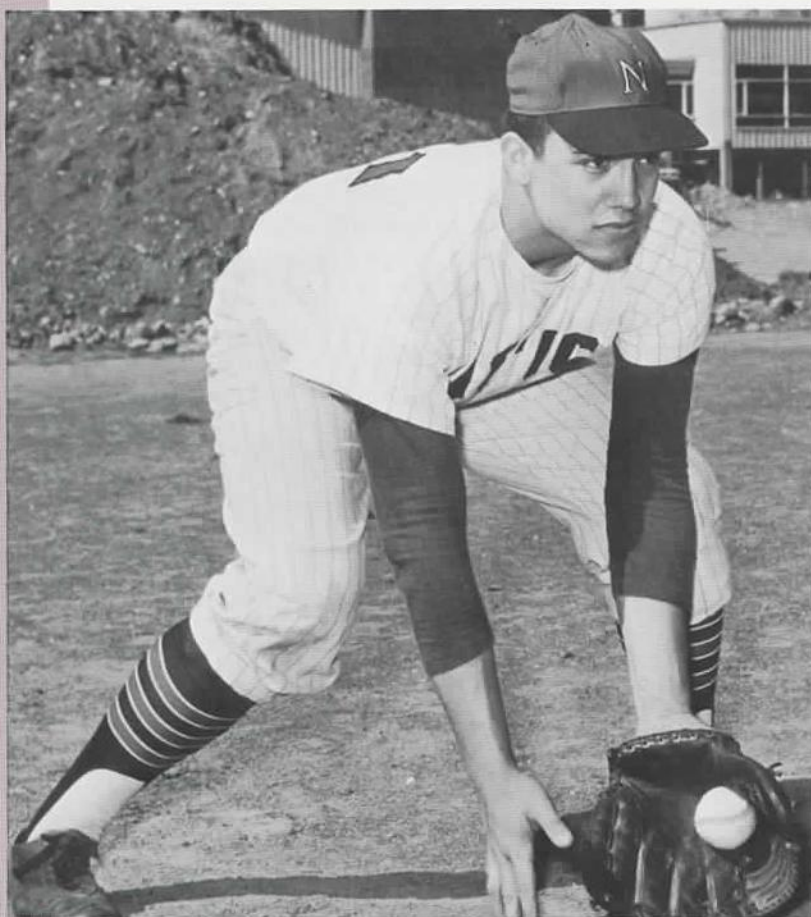

Next year's chores will be left to co-captains elect, Eric Herber and Mike Cate with the Natick High spirit to carry on a winning tradition.

Varsity Baseball

The 1965 edition of the Natick High School Baseball team compiled a very impressive 16-2 record and a Bay State League Championship. The team automatically qualified for the state tournament and, after defeating Durfee High School in the first round 2-0, lost to Braintree 4-2 to be eliminated.

There were many outstanding players on the 1965 team. Captain John Ignacio batted .352 and was a great team leader. Joe Coleman was rated the outstanding pitching prospect in New England and one of the best in the country. Joe's record of 20-3 over three team years will serve as a challenge to future pitchers. Bob Bradford, John Wight, Jim Ghetti, Paul Schwartz, all contributed greatly to the success of the team.

Coach Carroll, completing his sixth year as Baseball Coach, calls the 1965 team his greatest team.

STANDING: Coaches Bransfield, Whelan, Bennett.

The 1965 outdoor track team, led by co-captains Jeff Fitzgerald and Dave Wilson, compiled a respectable 7-2 record, placed 3rd in the Bay State League, and 4th in the Class B State Meet. This team didn't become champion, but had plenty of that Natick spirit and hustle, a trademark in Natick sports.

The seniors led the team on the track and in the field. In "100" was Pete Mandels who was always up with the leaders and Dave Wilson, a real leader, ran the "220". Dick Cotter, probably the hardest worker on the team, was Natick's best in the "440", followed closely by Paul Tetrault, Bill Traber, Jimmy Littleton, Bill Sweeney, Dave O'Brien, and Dennis Stoddard. The "880" had Warren Fowler who became a powerful broad jumper though bothered by a bad hip. The mile contained the scholar and athlete, Bill Smith, smooth-striding Dick Morse and Steady redhead, Billy Lamont. The low hurdles were run by fleet Paul Robinson, the boy who carried the team to victory many times, while Myles Durkin ran the high hurdles.

In the field were many more standouts. In the shot put Jeff Fitzgerald topped the league and was one of the state's best. He was backed up by Bob Ormand, Bob Tibbetts, and those two versatile competitors Dave Bailey and Roger Cabo, who also threw the discus.

In the discus was Ron Stephenson, a real performer, who placed high in the state and conference meets with Dave McEachern. In the javelin Ed McNeil and Dennis Thompson carried the load while Pete Mandels, Mark Raider, Paul Zicko, and Bob Yeomans handled the pole vault. Greg McKeown competed in both the high jump and short distance events.

D. Marble, M. Fine, J. Burke, J. Fine, J. Stetson, E. Bennett, Capt. B. Hutchins, K. Rose, J. Matzelowich, R. Wright, R. Kahn, R. Satterfield.

This year's tennis team was led by Captain Brad Hutchins. His constant ability to defeat the other teams number one man enabled the inexperienced team to win eight matches and lose eight. The only returning letterman was senior Gene Bennett, who played third single.

The member who played number two singles was John Metzelowich, who should develop into an excellent tennis player. The doubles teams were composed of four pairs of individuals with equal ability Bob Rose and Mike Cate, Jeff Stetson and John Barker, Bob White and Richard Satterfield, Jeff Fine and Dennis Marble.

GOLF TEAM

The golf team this year had a below-average record of three wins and six losses. The team's record was in no way indicative of its ability. The boys faced some of the toughest teams in the state. Seniors on the team were: Rick Omerso, the most-improved player on the team; Steve Phillips, a two-year letterman; Bill Niles, a transfer student from Assumption Prep, who was the team's leading scorer; and Rick Long who served both as player and assistant to the coach. The team was captained by Paul Driver and coached by Mr. Walter Vaughan of the Cole School.

Varsity Field Hockey

Once again an enthusiastic group of girls assembled in the "dust bowl" to get ready for a busy season. With high hopes of winning most of the games, the girls spent long hours practicing corners, bullies, tackles, and dodges. The first game with Needham ended with a loss of 1-0. Likewise, we lost to Walpole and Wellesley but bounced back to defeat Dedham 2-0 and Framingham North 1-0 as well as Framingham South by a score of 1-0. A strong Braintree Varsity defeated us by a score of 2-0 thus ending our season with a loss of four and three wins.

With a total of five seniors, three juniors, and three sophomores, the varsity squad of the girls' basketball team pushed forward to earn the record of five wins, three losses.

The team played some really great games, winning over such teams as Norwood and Walpole, showing Natick sportsmanship through those and all other games played.

The JV squad, consisting of one senior and ten sophomores, showed the promise of a great Natick varsity for 1966.

The group of skilled players who tried out for the team deserve a lot of credit. Even when losing, they had lots of spirit and never gave up. The last game against Walpole showed a vastly-improved team, although they lost by a score of 10-8. They won only the game against Framingham North, but as many of the girls are Sophomores, next year should see a radical change in the scores.

GIRLS' SOFTBALL

The girls' tennis team had another exciting season this year. The spirit shown by the individual players facing such tennis towns as Wellesley and Needham was extraordinary. Led by seniors Nancy Gregg, Dottie Fitch, and Janet Johnson, the team displayed fine sportsmanship and ability. It was evident from the great participation that before long Natick will rank as one of the top tennis towns in the Bay State.

WINTER SPORTS AWARDS

In February an assembly was sponsored by the Athletic Department to honor the outstanding athletes of the winter season. Letters and certificates were awarded to a large group of athletes who justly deserved them for their perseverance and hard work. No where can we find better school spirit than here at N.H.S.

Paul Robinson received the award for the outstanding player on the Indoor Track team. In basketball the trophy for the outstanding player went to Dave Bernardi and for the greatest sportsmanship to John Ignacio.

The award for the most valuable hockey player went to Robert Rule, a junior.

SPRING SPORTS AWARDS

As has been the case for a number of years our track and baseball teams have produced many outstanding players. At an assembly held in May, Paul Robinson was awarded the trophy for the most valuable trackman on the outdoor team this season. The most improved performer on the team was Jeff Fitzgerald who also was presented an award.

It goes without saying that the trophy for the most valuable baseball player was awarded to Joe Coleman. Certainly all who witnessed Joe on the diamond and his many friends in and out of school were thrilled to hear that he had signed with the Washington Senators.

BEST ALL AROUND ATHLETE

BEST STUDENT ATHLETE

John Ignacio was the recipient of the Outstanding Athlete Award of the Class of 1965.

John participated in three sports: football, basketball, and baseball. In football, John alternated at left-halfback and fullback and climaxed his football feats by scoring three touchdowns in the Thanksgiving Day football game with Framingham South.

In basketball, John played center for Coach Charles Christie and was considered the top rebounder in the Bay State League, being a consistent scorer.

In baseball, he was the regular 3rd baseman for three years, an excellent glove-man and a good hitter. He was chosen by his teammates in his senior year to captain the team.

He was a member of the National Honor Society and President of the Senior Class. John will enroll at Harvard College in the fall with a four-year scholarship.

BUSINESS AWARDS

Mr. Charles McManus, Vice-Principal, presented certificates and pins at the annual awards assembly of the Business Department on May 26 to sixty-four students. Outstanding Business Students of the year were Arlene Dubosky and Donna McLean, who received not only the school awards, but also the John Hancock Mutual Life Insurance Co. and the Olivetti-Underwood Corporation awards. The Best Typist of the Year award was presented to Cynthia Caissie by Mr. Bayne Drown, Head of the Business Department.

CLASS PICNIC

On Wednesday evening of Senior Week a large majority of the Class of 1965 gathered for the annual class picnic. Despite the construction and its accompanying discomforts, every one had a wonderful time participating in the various athletic contests, swimming, enjoying the chicken barbecue, and dancing under the stars.

CLASS BANQUET

On perhaps one of the hottest evenings of the season the Class of 1965 enjoyed a delicious roast beef dinner in the Cafeteria. The guests of the evening included Mr. Maffeo, Mr. and Mrs. William Carey, Mr. and Mrs. Hennigar, Mr. and Mrs. McManus, Mr. and Mrs. Sticklor, Miss Shannon, Mr. and Mrs. Goudet and Mr. and Mrs. Biedryzcki.

Presentations were made by John Ignacio, president, to the advisors of various activities and then the entire class departed for the courtyard where dancing was enjoyed until a late hour.

On Thursday, June 10, the first formal affair of Senior Week took place in the auditorium when the members of the Class of 1965 in cap and gown marched to their Class Day exercises where their president, John Ignacio welcomed parents, teachers, and friends.

Claudia Winters and James Coplan presented the Class History, followed by several selections rendered by the A Cappella Chorus. The presentation of the Class Will by Dorothy Tripp and David Brown helped liven an otherwise somber occasion.

The number of scholarships awarded to deserving students gave evidence of the increased numbers of worthy and well-prepared prospective college entrants. It is to be regretted that more of our graduates cannot receive much-deserved help.

CLASS DAY

CLASS DAY WELCOME

Parents, Teachers, Friends:

During these first years of our lives, we have been guided by a great number of adults. These adults, our parents and our teachers, have experienced many problems and joys with us over this short time. So, it is with a deep sense of awareness and gratitude, that the Class of 1965 welcomes you who have shared our hardships to share our happiness on Class Day.

John Ignacio

CLASS HISTORY 1965

Mr. Hennigar, honored guests, faculty, and fellow classmates:

Perhaps you remember that day early in September in 1962 when we, then the graduating class of Coolidge Junior High and the first class to have attended three years at Wilson Junior High, arrived at Natick High School only to be confronted by a battery of pin-punching tests.

As sophomores we were to benefit greatly from the experience of that first harrowing year. Instrumental in uniting us as a class were our class officers. Mark Raider, John Ignacio, Louise Gross, and Betsy Markle.

We were readily impressed by the famous Natick school spirit at the enthusiastic Friday afternoon rallies. That year we also had two members of our class, John Ignacio and Robert Leach, on the varsity squad. The sophomore team went on to an undefeated season, with the highest scoring record in Natick's history, only to foreshadow the greater football team to come.

Wrestling, a sport new to Natick High, was brought to the school that fall, and several members of our class were on its first team.

In October we were introduced to the rest of the school at the annual Get Acquainted Dance. Another new organization, the Humanities Discussion Club, was initiated at the school thanks to the efforts of Mr. Sloane.

By Christmas we had settled into a daily routine; now we got lost only when the school was on assembly schedule.

In January we had our first bout with midyears; some of us still haven't recovered.

A two day science symposium was held at MIT, to which Walter Bordett was sent as a representative of the class. That March our class took all prizes in biology at the Eleventh Annual Rotary Club-sponsored Science Fair.

At the annual art tea and exhibit a first prize was taken by another member of our class, Laurie Whitehill.

The Sadie Hawkins Dance, held to raise money for the *Sassamon*, and the Sophomore Dance, held shortly thereafter, were both very successful.

With the leadership of Mark Raider, John Ignacio, Louise Gross, and Cheryl Micellotta, our junior year was even more successful than our sophomore year. Among our achievements in this, our second year at Natick High School, were the bookstore, newly established by the Student Council, and the Debating Society, sponsored by Mr. Rooney.

Our wrestling team officially joined the Bay State Conference and had an overall record of 3 wins and 7 losses. Having

practiced since the previous May, our cheerleaders, among whom were Ann Bransfield, Ava Baram, Mary Breen, Eileen Farrell, and Joan Lang, who won the Bay State League Cheer-leading Competition held at Brandeis University.

Chosen to participate in the U. S. Army Science Seminar Program were Claudia Winters and four seniors, who worked at the Army's Natick Laboratories.

In the Student Council Talent Show, first prize was taken by two young men from the class of '65, "The Travellers," Thomas Montgomery and Douglas Green.

In addition to midterms, to which we had become more or less hardened veterans, there was a new series of tests awaiting many of us: the College Board Exams. These began with the administration of the PSAT's, to be followed in later months by the SAT's, and for the exceptionally ambitious, there was the NMSQT.

Our varsity basketball team has a 16 and 4 record, and a final league standing of second place. Indoor track, meanwhile, went undefeated with a 7-0 record, placing first in Division Two of the Metropolitan Track League.

Under the direction of Mr. Bachini and Mr. Garnett, the production in March of the musical "South Pacific" was one of the most successful in school history.

In April, thirty-eight members of our class were inducted into the National Honor Society.

Our class again sent representatives, this time Joseph Damplo and Claudia Winters, to the MIT Science Symposium. At the annual science fair, our class won the first three prizes in chemistry and a number of honorable mentions in several fields.

For the first time in our memory, the annual Sadie Hawkins Dance was a financial success, thanks to the witty salesmanship of Marty Siegal and Jim Nollman.

Another first was "Tag Day," a campaign to raise funds to send a Natick student overseas through the American Field Service Program. In this drive, our class raised more money than either of the other two classes. Penny Chapman was selected as our first overseas student and she spent the following summer in Norway.

Due to complications in the cafeteria, our lunch schedule was changed from four lunch periods a day to thirty-four. This new plan was *supposed* to allow us to dine in greater leisure.

At the annual art tea, Laurie Whitehill was again honored, along with Leslie Adams and Deborah Darling, all of whom won prizes for their work. Deborah, in addition, won a certificate award in *Boston Globe's* Scholastic Arts Competition.

At the Annual Industrial Arts Fair, held at Fitchburg State College, Natick students won a number of awards, including seven Gold Seal Awards, the highest honors possible. Winners of this award from our class were: Douglas Kitley, Thomas Lovezzola, Judith Morrison, and Russell Cudmore. At this same fair, Mr. Sticklor was elected Outstanding Industrial Arts Teacher of the Year by a panel of faculty judges.

Outdoor track went undefeated with an 8-0 record. The tennis team did well with a record of 10 and 6. Girls' tennis did well, too, and Nancy Gregg was undefeated as the second singles tennis player in the Bay State League. It is also worthy of note that the girls' softball team scored a major victory by winning its first game in three years.

Last year, after an attempt to change our Alma Mater, we stopped singing it when closing the assemblies "in the usual manner."

John Ignacio and Mark Raider were chosen by the class of '65 to represent Natick at Boys' State for a week at the University of Massachusetts. This program, sponsored by the Massachusetts American Legion, is an assemblage of high school boys from all over the state for the purpose of studying and practicing the fundamentals of town and state government.

At our prom, "Midnight Masquerade," Mary Breen and Helen Grady reigned as court princesses.

All of which brings us to September, 1964:

For our senior class officers, we elected John Ignacio, David Wilson, Louis Gross, and Cheryl Micellotta.

Our well-season, two thousand pound, twenty-two legged gridiron menace, headed by Captain John Wilson, brought us the fourth undefeated season in Natick High history, and first place standing in the Bay State League. At the Thanksgiving Game rally, we were treated to the sight of Dennis "Chopper" Thompson leading the most unforgettable squad of cheerleaders we had ever seen.

Our other cheerleaders, for the second consecutive year, came in first in the Bay State Cheerleading Championship competition. In this group were Ann Bransfield, Ava Baram, Joan Lang, Lynn Morrissey, Eileen Farrell, Judy Ignacio, and Mary Breen, captain of the squad. Impressed and somewhat mystified by all this was Pierre Haesler, our AFS exchange student from Switzerland.

That fall the Leaders Corps was introduced in the Girls' Physical Education Department. Our cross country team had a 7 and 2 record, taking third place in the Bay State Conference.

The Honor Society, in conjunction with the Future Teachers' Club, initiated a student tutoring service, and a substitute teaching service for the benefit of all students. Under the leadership of Mark Raider, John Wilson, Judy Ignacio, and Helen Grady, the student council set up a bulletin board for student use. Guided by Mr. Englehardt, the Science Club, an outgrowth of the former Science Quiz Team, was organized. For the convenience of all students working on science projects, the club set up a non-profit materials ordering service.

Five members of the class, Walter Bordett, David J. Brown, James Coplan, Claudia Winters, and Joseph Damplo, were selected to participate in the Army Science Seminar Program, which involved working at the Army's Natick Laboratories after school two or three days a week. The group worked on such projects as "Experimental Space Diets," "Polymer Plastics under Irradiation," and "The Determination of Intrinsic Viscosity of Polyvinyl Acetate" (a prize-winning title, to be sure!). This program proved to be an invaluable experience for all.

Our senior play, "Blithe Spirit," was highly successful. Perhaps this was due in part to our parade, a noisy but enthusiastic motorcade led through town by a 1929 touring car.

This year, *Sassamon*, edited by Glenn Durfee, saw a number of innovations. The paper ran a campaign to increase subscriptions, which permitted a reduction in advertising space from one and one half pages per issue to only one sixth of a page per issue. With the increase in subscriptions, *Sassamon* circulation is now 1100 copies per edition. Another new feature is the *Redman*, a literary magazine published three times a year and edited by Betsy Markle.

In step with increasing school enrollment, Mr. Sticklor was appointed second vice principal; Mr. O'Sullivan was appointed chairman of the Industrial Arts Department.

A new head librarian, Mrs. Mulford, became a member of the faculty last September. Since then, more students have had access to the library, and more books have been circulated than ever before. In fact, during the first semester of 1964,

over 10,000 students made use of the library facilities, and 5788 books were circulated. Even more impressive is the continually rising number of students using the library facilities.

During their second league season, the wrestling team, alias "Mark's Raiders," turned in a record of 2 and 7. The varsity basketball team, co-captained by David Bernardi and Walter Ball, had an overall record of 11 and 7 giving Natick a three way tie for third place in the Bay State Conference. Make that record 11 and 8 if you include the game against the faculty on N Club Night! The girls' basketball team had a 5-3 season, defeating Needham for the first time in years.

Due to its excellent record in past years, our Indoor Track team was moved up to Division One in the Metropolitan Track League. With this increased competition, we had a 2 and 5 season.

At the annual Christmas assembly, Nathalie Edwards, for the third consecutive year, won the prize for the best home-room mural. Topping off the winter season was the Christmas Cotillion.

Thirteen members of the class of 1965 won National Merit Letters of Commendation and four, Donald Hutchins, William Smith, Dorothy Tripp, and Claudia Winters, were announced as semi-finalists.

At this year's art exhibit, Leslie Adams, Martha Keezer, and Deborah Darling were awarded prizes. Receiving Gold Keys in the Scholastic Art Awards sponsored by the *Boston Globe* were Nathalie Edwards and Laurie Whitehill. Laurie's painting, also a blue ribbon winner, was sent to New York for further judging.

We're sure you remember the day early in March when we were rudely subjected to the first "real" fire drill in Natick High history.

At the Thirteenth Annual Science Fair, four members of our class won first prizes: Linda Trinkley for her project in Advanced Biology, Walter Bordett and James Coplan for their work at the Army Laboratories, and John Jorgensen for his "Electric Milky Way Machine."

The Business Awards Assembly pointed up much new talent. For typing, shorthand, and other business skills, certificates were awarded to many members of the class of 1965, of whom two of the most outstanding were Arlene Dubosky and Donna MacLean.

This year's musical, "My Fair Lady," had an immensely successful two night stand, thanks to the efforts of all concerned. Produced and directed by Mr. Bachini and Mr. Garnett, the show provided funds for the band's new uniforms. Bachini-Garnett Productions will have to find a new manager, however, with the graduation of its able directress, Nancy Gregg.

Another feature of the newly uniformed music department is its twenty-odd piece dance band, probably the largest for miles around. Three seniors, Richard Glashow, Claudia Winters, and Amy Watts, played in the District Orchestra held at Beverly, Massachusetts, in January. Richard Glashow was selected to go on to the All-State Orchestra in mid-April.

The Sadie Hawkins Dance was the most successful to date, netting \$275 for the *Sassamon*. Marty Siegal and Jim Nollman, in their *fortunately* inimitable style, again DJ'd the affair.

The Honor Society held its induction ceremony, initiating twenty members elected from the senior class since last year. The Society also announced its first scholarship, the money for which was raised by the Honor Society Dance.

This year the Future Nurses' Club has also initiated a scholarship program, and plans to award two scholarships.

Construction began this spring for a new addition to the school. The occupation of land by building equipment has created for the students a severe *parking* problem. Also, this spring, the volume of sales of 3 x 5 cards at Fairbanks jumped about 300%, for reasons painfully familiar to most of us!

This year was no exception for Mr. McNally's IR classes, which made their annual Pilgrimage (to the UN, that is).

Before we depart this morning, and resume the busy activities of senior week, it is fitting that we reflect for a moment on the memory of Mrs. Marie Anderson, better known to many of us as Miss Donahoe. We were privileged to have had her with us.

In closing, we would like to offer special thanks to our faculty advisors, Mrs. Goudet and Mr. Biedrzycki, and to Miss Shannon, for their help and devotion to our class, and to our teachers, who have tried in every way possible to give us the opportunities for an excellent education. Both Natick High School and we as a class have changed a great deal during these past three years, but lasting impressions have been made which shall remain with us for a long time to come. The history of the class of 1965 will not end with our graduation; it will continue to be written throughout the years by all of its members who uphold the traditions of Natick High School.

I, Gail Berstein, leave all my toys to whoever is mature enough for them.

We, Doug Green and Doug Brien, leave one pair of musty, cut-off sweathirts and dungaree to any beachboy with sand in his dirty sneakers.

We, the senior members of Mr. Anderson's E period Book-keeping class, leave it to anyone who can figure it out! !

I, Nancy Gregg, leave to Michael Powers one tooth to fill the hole that was dug while playing an innocent game of tennis.

I, Susan Taylor, do hereby leave my dimple to any sophomore girl who is strong enough to carry it for two more years.

I, Ellen Bergner, bequeath to Sue Billian the heritage of Peipeianna with the hope she will live up to the legend.

I, Penny Chapman, leave my disqualified AATF test to Barbara Knight.

I, Cheryl Micelotta, leave to the next senior treasurer this thought: "Patience is your greatest virtue and happiness is when all the dues are paid and you can take a rest." Good luck; you'll need it.

We, the boys from Wethersfield, leave Richard Rubin the

moon, and hope that it will always remain full.

I, Dave Wilson, leave a state of perpetual probation from the National Honor Society to any worthy junior member.

We, Walter Bordett, David Glucksman, Susan Biggart, Laurence Ober, and Margaret Holloway leave the Wisdom of Omar to Noel Biggart, Loretta Levitz, Karen Kobrin, Roberta Kriger and anyone else neurotic enough to appreciate it.

We, the former members of Junior Honors English, leave all the "aspects" of Senior Honors English to any juniors brave enough to take Honors English.

To all the underclassmen, we, the entire Senior class, leave our parking spaces and the walk through no-man's land; our deserted Safety Patrol posts and lost badges; our forged library and student passes; our numerous gym excuses; our forgotten locker combinations; our empty lunch tables; our battered and annotated books; and the challenge (which you can't possibly meet) of living up to our stupendous athletic, academic and extra-curricula achievements. Finally, we leave the thought that all your memories of our greatness may in some small way console you for the deep sorrow which you will certainly feel on June 13, 1965.

SENIOR RECEPTION

The legendary town of Camelot where rain never fell formed the backdrop for the summer evening of the Senior Reception. The castle battlements greeted the guests as they arrived on June 11, 1965. After each couple passed over the drawbridge they were escorted to the Receiving Line by a member of the Class of 1966, sponsors of the occasion.

The striking decorations based on the Arthurian theme created a tone of quality, pleasure, and happiness for a splendid evening. For the first time the inner courtyard was opened and the lovely couples strolled or sat to chat with friends between dances.

The highlight of the evening was the crowning of the Queen and the introduction of her princesses. From among the many lovely and charming young ladies the guests chose Mary Breen to reign and juniors Susan Dillon and Caryn Sandrew to assist her. This was truly a lovely evening.

GRADUATION

On Sunday afternoon under cloudy skies and with a chill wind blowing across Memorial Field 500 students received their diplomas from Mr. Paul Ambler, Chairman of the School Committee.

Because of the threatening weather the diplomas were presented first. Then several selections were given by the chorus. Since the clouds had lifted at that point, an attempt was made to present the four student speeches. After Louise Gross and William Smith had concluded theirs, rain drops began to fall and Mr. Hennigar announced the program would be concluded. Station WKOX agreed to broadcast all of the speeches for the listening public on Monday, June 14.

Today's World: A Time for Commitment

WELCOME

Parents, Teachers, and Friends:

Today marks the completion of a solid foundation for what we hope will one day be a great edifice. The edifice is the life of each member of the Class of 1965, and the solid foundation, the instruction, by example, of our parents and teachers. We begin today to build on that foundation which you have established for us. It is with pleasure that we bid you welcome this afternoon.
